## SPECIAL GUEST OF HONOR

Doug Hillman

Seemed to be a nice enough sort of guy. We all thought he'd fit in. Time will tell.

## PRESIDENT'S OPENING REMARKS

President Doug noted that the Calendar of Events is unusually full this year and that there were plenty of opportunities to get the Corvette down the road and have plenty of fun in the process. We need 'SPONSORS' for some events and President Doug requested that members volunteer to fill the slots. Doug offered that any sponsor can count on support of the Directors and that being a Sponsor was really a stress-free endeavor.

Pres. Doug also pointed out that some of our members, ie: Director Hanas and Director Goettsch, had abandoned their duties in favor of the sunny environs of Florida. Motion made and carried that these two creatures had to buy at the session *after* the next meeting. Doug encouraged everyone to check out the calendar and SIGN UP for events. It is attached to these Minutes.

## TREASURER'S REPORT:

The erstwhile Treasurer is in Florida drinking Margaritas and is reportedly hanging with Elliott Spitzer, the former Governor of New York. Any guesses here!!!

## V.P. REPORT:

Jack Buecker noted the following additions to the calendar:

1. 4/27 Car Show
2. 5/10 Bud's Car Show

**Jack commented that the calendar is pretty evenly distributed between Saturdays and Sundays as far as scheduling of events was constructed. There was universal comment among the members that the calendar really looked attractive.**

**Jack spoke about the upcoming trip to French Lick and implored everyone to E him their reservation at [jackbuecker@skidmore-sales.com](mailto:jackbuecker@skidmore-sales.com).**

**Jack has reserved 5 rooms for the Mid-America Corvette Show at Effingham, Illinois. Please E him and give him confirmation of your reservation.**

#### **CAR SHOW:**

**Under threat of having his bond revoked, Kurt Meier agreed to chair the Car Show. Waterboarding does indeed work. We need to have our membership grab a fistful of flyers and distribute them at Cruise-ins, drive-by shootings, etc. We're going to format the Show as more of a Show and Shine event to simplify the judging process. And, very soon, we're going to crank up the Car Show meetings.**

#### **MOD DAY:**

**Gary Benke announced that all is going well with his famous MOD DAY program. They're going to put on some sort of device on Stan Bond's Corvette that'll make it go faster than even the Campbell Lodge kids can think about. Stan has pre-enrolled in Driver Ed program to gain 3 more points on his license. Bets are that he'll be there every month. But I digress. Gary has constructed a calendar of Corvette events that can be visited at the web site. Very nice job!**

#### **COMPETITION RACING:**

**Bill Rich, a guest of Marshall Hutcheson's, nicked out Dr. Greg Lloyd for Top Dog in the go-cart racing classic held at Competition Racing. It was closer than a dead heat. Jay Deerwester (WHERE ON EARTH DID SHE GET THAT RUBY RED HELMUT) said that the MEN in the Club ganged up on her and knocked her out of a ThreePeat. But it was really close. A good time was had by ALL.**

#### **DENTED HUBCAP:**

**The Superdelegates in the Club proclaimed that Jay Deerwester got the award because of that Helmut color.**
